

Georgia CSP SE Subgrant Application Guide

1. Login page

- Applicants authorized by the SCSC can use the "Sign in with Epicenter" option.
 - Locally-authorized charter schools may select "New User Registration" and create an account.
2. Please ensure that only **one person** from the school starts an application. Once an application is started, you may invite others to collaborate.

4. After **Starting an Application**, the Catalog will move to the lower left side; the started applications will be in the upper right corner.

5. The application will first ask for the School Name. From there, you may Invite Collaborators. If the CSP team notices multiple applications from the same school, we may reach out.
